

# Eagle

Powdered Laundry Detergent

### Background

Formulated for quality cleaning performance with enzyme for enhanced stain removal, oxygen bleach for whiteness, degreasers, and dispersing agents; Eagle is a quality one-shot powder laundry product.

### Typical Application

Shirt Laundries desiring quality cleaning performance from a one-shot powder detergent. Typical laundry operations should incorporate a sour, such as Nullify or Liquid Sour, to reduce the pH in the final rinse.

### Top 3 Highlighted Characteristics

1. Enzyme
2. Phosphate
3. Formulation Savings

**EAGLE**

Powdered Laundry Detergent. Safe on all washable, colorfast fabrics including Dacron and polyester blends. **DO NOT** use on natural silk or wool.
